# About us

JFX Biodynamics is a company dedicated to advancing animal health, plant health, and food safety through innovative biotechnological solutions. Our long-standing contributions in these fields have consistently delivered practical results, particularly through the development and production of Real-Time PCR kits.

At JFX Biodynamics, our robust research department drives continuous improvement in our products and services. Today, our solutions are trusted and used across Azerbaijan, Georgia, Kazakhstan, Uzbekistan, Kyrgyzstan, Tajikistan, and many other countries.

We remain steadfast in our mission to provide reliable and cutting-edge tools for animal health, plant health, and food safety, ensuring a healthier and more sustainable future for all.

## ANIMAL HEALTH

|              |                                                                                |     |
|--------------|--------------------------------------------------------------------------------|-----|
| LSK201-0100  | Real Time PCR Kit 100 Rxn (Influenza A – N1)                                   | 100 |
| LSK202-0100  | Real Time PCR Kit 100 Rxn (Influenza A – N2)                                   | 100 |
| LSK203-0100  | Real Time PCR Kit 100 Rxn (Influenza A – N3)                                   | 100 |
| LSK204-0100  | Real Time PCR Kit 100 Rxn (Influenza A – N4)                                   | 100 |
| LSK205-0100  | Real Time PCR Kit 100 Rxn (Influenza A – N5)                                   | 100 |
| LSK206-0100  | Real Time PCR Kit 100 Rxn (Influenza A – N6)                                   | 100 |
| LSK207-0100  | Real Time PCR Kit 100 Rxn (Influenza A – N7)                                   | 100 |
| LSK208-0100  | Real Time PCR Kit 100 Rxn (Influenza A – N8)                                   | 100 |
| LSK209-0100  | Real Time PCR Kit 100 Rxn (Influenza A – N9)                                   | 100 |
| LSK210-0100  | Real Time PCR Kit 100 rxn (Influenza H5)                                       | 100 |
| LSK211-0100  | Real Time PCR Kit 100 rxn (Influenza H9)                                       | 100 |
| LSK411-0100  | Real Time PCR Kit 100 rxn (Avian Influenza N10)                                | 100 |
| LSK411-0300  | Real Time PCR Kit 300 rxn (Avian Influenza N10)                                | 300 |
| LSK230-0300  | Real Time PCR Kit 300 rxn (Bovine Viral Diarrhea (BVD))                        | 300 |
| LSK270-0300  | Real Time PCR Kit 300 Rxn (Leptospira spp.)                                    | 300 |
| LSK280-0200  | Real Time PCR Kit 200 rxn (Infectious Bursal Disease Virus (IBDV))             | 200 |
| LSK281-0200  | Real Time PCR Kit 200 rxn (Infectious Bronchitis Virus (IBV))                  | 200 |
| LSK291-0300  | Real Time PCR Kit 300 rxn (Fowl Avian Adenovirus)                              | 300 |
| LSK293-0200  | Real Time PCR Kit 200 rxn (Infectious laryngotracheitis (ILT))                 | 200 |
| LSK294-0200  | Real Time PCR Kit 200 rxn (Mycoplasma gallisepticum)                           | 200 |
| LSK295-0200  | Real Time PCR Kit 200 rxn (Newcastle disease virus (NDV))                      | 200 |
| LSK295I-0100 | Duplex Real Time PCR Kit 100 rxn (Newcastle disease virus (NDV-Fusion-Matrix)) | 100 |
| LSK296-0100  | Real Time PCR Kit 100 rxn (Reovirus type 3 (Reo-3))                            | 100 |
| LSK412-0300  | Real Time PCR Kit 300 rxn (Infectious Bovine Rhinotracheitis (IBR))            | 300 |
| LSK422-0200  | Real Time PCR Kit 200 rxn (Akabane)                                            | 200 |
| LSK427-0300  | Real Time PCR Kit 300 rxn (Brucella spp.)                                      | 300 |
| LSK448-0200  | Real Time PCR Kit 200 rxn (Campylobacteriosis)                                 | 200 |
| LSK449-0200  | Real Time PCR Kit 200 rxn (Western equine encephalomyelitis virus)             | 200 |
| LSK450-0200  | Real Time PCR Kit 200 rxn (FMD serotype SAT1)                                  | 200 |
| LSK451-0150  | Real Time PCR Kit 150 rxn (FMD serotype SNP)                                   | 150 |
| LSK452-0300  | Real-Time PCR Kit 300 Rxn Avian Metapneumovirus Serotype B (AMPV/B)            | 300 |
| LSK810-0200  | Real Time PCR Kit 200 rxn (AI H1N1)                                            | 200 |
| LSK454-0050  | Real Time PCR Kit 50 rxn (Equid alphaherpesvirus 1)                            | 50  |
| LSK455-0050  | Real Time PCR Kit 50 rxn (Equid alphaherpesvirus 4)                            | 50  |

## PLANT HEALTH

|              |                                                                          |      |
|--------------|--------------------------------------------------------------------------|------|
| LSK5008-0300 | Real Time PCR Kit 300 rxn (Tomato Brown Rugose Virus (ToBRFV))           | 300  |
| LSK5008-0100 | Real Time PCR Kit 100 rxn (Tomato Brown Rugose Virus (ToBRFV))           | 100  |
| LSK5008-1000 | Real Time PCR Kit 1000 rxn (Tomato Brown Rugose Virus (ToBRFV))          | 1000 |
| LSK1008-0300 | Real Time PCR Kit 300 rxn (Tomato Spotted Wild Virus (TSWV))             | 300  |
| LSK1008-0100 | Real Time PCR Kit 100 rxn (Tomato Spotted Wild Virus (TSWV))             | 100  |
| LSK1008-1000 | Real Time PCR Kit 1000 rxn (Tomato Spotted Wild Virus (TSWV))            | 1000 |
| LSK3008-0300 | Real Time PCR Kit 300 rxn (Potato Spindle Tuber Viroid (PSTVd))          | 300  |
| LSK3008-0100 | Real Time PCR Kit 100 rxn (Potato Spindle Tuber Viroid (PSTVd))          | 100  |
| LSK3008-1000 | Real Time PCR Kit 1000 rxn (Potato Spindle Tuber Viroid (PSTVd))         | 1000 |
| LSK2008-0300 | Real Time PCR Kit 300 rxn (Pepino Mosaic Virus (PePMV))                  | 300  |
| LSK2008-0100 | Real Time PCR Kit 100 rxn (Pepino Mosaic Virus (PePMV))                  | 100  |
| LSK2008-1000 | Real Time PCR Kit 1000 rxn (Pepino Mosaic Virus (PePMV))                 | 1000 |
| LSK9901-0100 | Real Time PCR Kit 100 rxn (ToBRFV-PePMV-TSWV) Multiplex Detection Kit    | 100  |
| LSK297-0300  | Real Time PCR Kit 300 rxn (Potato Virus Y (PVY))                         | 300  |
| LSK297-0100  | Real Time PCR Kit 100 rxn (Potato Virus Y (PVY))                         | 100  |
| LSK299-0300  | Real Time PCR Kit 300 rxn (Beet curly top virus (BCTV))                  | 300  |
| LSK299-0100  | Real Time PCR Kit 100 rxn (Beet curly top virus (BCTV))                  | 100  |
| LSK410-0300  | Real Time PCR Kit 300 rxn (Citrus Tristeza Virus (CTV))                  | 300  |
| LSK410-0100  | Real Time PCR Kit 100 rxn (Citrus Tristeza Virus (CTV))                  | 100  |
| LSK413-0300  | Real Time PCR Kit 300 rxn (Tomato RingSpot Virus (ToRSV))                | 300  |
| LSK413-0100  | Real Time PCR Kit 100 rxn (Tomato RingSpot Virus (ToRSV))                | 100  |
| LSK414-0300  | Real Time PCR Kit 300 rxn (Ralstonia solanacearum)                       | 300  |
| LSK414-0100  | Real Time PCR Kit 100 rxn (Ralstonia solanacearum)                       | 100  |
| LSK415-0300  | Real Time PCR Kit 300 rxn (Clavibacter michiganensis subsp. Sepedonicus) | 300  |
| LSK415-0100  | Real Time PCR Kit 100 rxn (Clavibacter michiganensis subsp. Sepedonicus) | 100  |
| LSK416-0300  | Real Time PCR Kit 300 rxn (Xanthomonas campestris pv.vesicatoria)        | 300  |
| LSK416-0100  | Real Time PCR Kit 100 rxn (Xanthomonas campestris pv.vesicatoria)        | 100  |
| LSK417-0300  | Real Time PCR Kit 300 rxn (Xanthomonas campestris pv.corylina)           | 300  |
| LSK417-0100  | Real Time PCR Kit 100 rxn (Xanthomonas campestris pv.corylina)           | 100  |
| LSK418-0300  | Real Time PCR Kit 300 rxn (Monilinia fructicola)                         | 300  |
| LSK418-0100  | Real Time PCR Kit 100 rxn (Monilinia fructicola)                         | 100  |
| LSK419-0300  | Real Time PCR Kit 300 rxn (Elsinoe fawcetti)                             | 300  |
| LSK419-0100  | Real Time PCR Kit 100 rxn (Elsinoe fawcetti)                             | 100  |
| LSK420-0300  | Real Time PCR Kit 300 rxn (Universal phytoplasma)                        | 300  |
| LSK420-0100  | Real Time PCR Kit 100 rxn (Universal phytoplasma)                        | 100  |
| LSK421-0300  | Real Time PCR Kit 300 rxn (Agrobacterium tumefaciens)                    | 300  |
| LSK421-0100  | Real Time PCR Kit 100 rxn (Agrobacterium tumefaciens)                    | 100  |
| LSK423-0300  | Real Time PCR Kit 300 rxn (Cucumber vein yellowing virus)                | 300  |
| LSK423-0100  | Real Time PCR Kit 100 rxn (Cucumber vein yellowing virus)                | 100  |

|             |                                                                            |     |
|-------------|----------------------------------------------------------------------------|-----|
| LSK424-0300 | Real Time PCR Kit 300 rxn (Cucurbit yellow stunting disorder virus)        | 300 |
| LSK424-0100 | Real Time PCR Kit 100 rxn (Cucurbit yellow stunting disorder virus)        | 100 |
| LSK425-0300 | Real Time PCR Kit 300 rxn (Acidovorax citrulli)                            | 300 |
| LSK425-0100 | Real Time PCR Kit 100 rxn (Acidovorax citrulli)                            | 100 |
| LSK426-0300 | Real Time PCR Kit 300 rxn (Colletotrichum acutatum)                        | 300 |
| LSK426-0100 | Real Time PCR Kit 100 rxn (Colletotrichum acutatum)                        | 100 |
| LSK428-0300 | Real Time PCR Kit 300 rxn (Erwinia stewartii)                              | 300 |
| LSK428-0100 | Real Time PCR Kit 100 rxn (Erwinia stewartii)                              | 100 |
| LSK429-0300 | Real Time PCR Kit 300 rxn (Fusicarium circinatum)                          | 300 |
| LSK429-0100 | Real Time PCR Kit 100 rxn (Fusicarium circinatum)                          | 100 |
| LSK430-0300 | Real Time PCR Kit 300 rxn (Tomato yellow curl virus (TYLCV))               | 300 |
| LSK430-0100 | Real Time PCR Kit 100 rxn (Tomato yellow curl virus (TYLCV))               | 100 |
| LSK431-0300 | Real Time PCR Kit 300 rxn (Xanthomonas axonopodis pv. Allii)               | 300 |
| LSK431-0100 | Real Time PCR Kit 100 rxn (Xanthomonas axonopodis pv. Allii)               | 100 |
| LSK432-0300 | Real Time PCR Kit 300 rxn (Tobacco Ringspot Virus (TRSV))                  | 300 |
| LSK432-0100 | Real Time PCR Kit 100 rxn (Tobacco Ringspot Virus (TRSV))                  | 100 |
| LSK433-0300 | Real Time PCR Kit 300 rxn (Tomato Infectious Chlorosis Virus (TICV))       | 300 |
| LSK433-0100 | Real Time PCR Kit 100 rxn (Tomato Infectious Chlorosis Virus (TICV))       | 100 |
| LSK434-0300 | Real Time PCR Kit 300 rxn (Tomato chlorosis Virus (TOCV))                  | 300 |
| LSK434-0100 | Real Time PCR Kit 100 rxn (Tomato chlorosis Virus (TOCV))                  | 100 |
| LSK435-0300 | Real Time PCR Kit 300 rxn (Clavibacter michiganensis subsp. Michiganensis) | 300 |
| LSK435-0100 | Real Time PCR Kit 100 rxn (Clavibacter michiganensis subsp. Michiganensis) | 100 |
| LSK436-0300 | Real Time PCR Kit 300 rxn (Xanthomonas oryzae pv. Oryzae)                  | 300 |
| LSK436-0100 | Real Time PCR Kit 100 rxn (Xanthomonas oryzae pv. Oryzae)                  | 100 |
| LSK437-0300 | Real Time PCR Kit 300 rxn (Xanthomonas oryzae pv. Oryzicola)               | 300 |
| LSK437-0100 | Real Time PCR Kit 100 rxn (Xanthomonas oryzae pv. Oryzicola)               | 100 |
| LSK438-0300 | Real Time PCR Kit 300 rxn (Stenocarpella macrospora)                       | 300 |
| LSK438-0100 | Real Time PCR Kit 100 rxn (Stenocarpella macrospora)                       | 100 |
| LSK439-0300 | Real Time PCR Kit 300 rxn (Stenocarpella maydis)                           | 300 |
| LSK439-0100 | Real Time PCR Kit 100 rxn (Stenocarpella maydis)                           | 100 |
| LSK440-0300 | Real Time PCR Kit 300 rxn (Tomato Apical Stunt Viroid (TASVd))             | 300 |
| LSK440-0100 | Real Time PCR Kit 100 rxn (Tomato Apical Stunt Viroid (TASVd))             | 100 |
| LSK441-0300 | Real Time PCR Kit 300 rxn (Columnea Latent Viroid (CLVd))                  | 300 |
| LSK441-0100 | Real Time PCR Kit 100 rxn (Columnea Latent Viroid (CLVd))                  | 100 |
| LSK442-0300 | Real Time PCR Kit 300 rxn (Tomato Chlorotic Dwarf Viroid (TCDv))           | 300 |
| LSK442-0100 | Real Time PCR Kit 100 rxn (Tomato Chlorotic Dwarf Viroid (TCDv))           | 100 |
| LSK443-0300 | Real Time PCR Kit 300 rxn (Pepper Chat Fruit Viroid (PCFVD0))              | 300 |
| LSK443-0100 | Real Time PCR Kit 100 rxn (Pepper Chat Fruit Viroid (PCFVD0))              | 100 |
| LSK444-0300 | Real Time PCR Kit 300 rxn (Tomato Mottle Mosaic Virus (TOMMV))             | 300 |
| LSK444-0100 | Real Time PCR Kit 100 rxn (Tomato Mottle Mosaic Virus (TOMMV))             | 100 |
| LSK446-0300 | Real Time PCR Kit 300 rxn (Tomato Leaf Curly New Delhi Virus (ToLCNDV))    | 300 |
| LSK446-0100 | Real Time PCR Kit 100 rxn (Tomato Leaf Curly New Delhi Virus (ToLCNDV))    | 100 |

|               |                                                                                  |     |
|---------------|----------------------------------------------------------------------------------|-----|
| LSK447-0100   | Real Time PCR Kit 100 rxn (Impatiens necrotic spot tospovirus (INSV))            | 100 |
| LSK447-0300   | Real Time PCR Kit 300 rxn (Impatiens necrotic spot tospovirus (INSV))            | 300 |
| LSK453-0300   | Real Time PCR Kit 300 rxn (Mycoplasma Synoviae)                                  | 300 |
| LSK453-0100   | Real Time PCR Kit 100 rxn (Mycoplasma Synoviae)                                  | 100 |
| LSK456-300    | Real Time PCR Kit 300 rxn (Dickeya spp.)                                         | 300 |
| LSK456-100    | Real Time PCR Kit 100 rxn (Dickeya spp.)                                         | 100 |
| LSK457-300    | Real Time PCR Kit 300 rxn (Pectobacterium spp.)                                  | 300 |
| LSK457-100    | Real Time PCR Kit 100 rxn (Pectobacterium spp.)                                  | 100 |
| LSK990-0300   | Real Time PCR Kit 300 rxn (Erwinia carotovora)                                   | 300 |
| LSK990-0100   | Real Time PCR Kit 100 rxn (Erwinia carotovora)                                   | 100 |
| LSK457-300    | Real Time PCR Kit 300 rxn (Pectobacterium spp.)                                  | 300 |
| LSK990-0300   | Real Time PCR Kit 300 rxn (Erwinia carotovora)                                   | 300 |
| LSK466-0100   | Real Time PCR Kit 100 rxn (Raspberry bushy dwarf virus)                          | 100 |
| LSK467-0100   | Real Time PCR Kit 100 rxn (Raspberry ringspot virus)                             | 100 |
| LSK468-0100   | Real Time PCR Kit 100 rxn (Raspberry leaf mottle virus)                          | 100 |
| LSK469-0100   | Real Time PCR Kit 100 rxn (Raspberry leaf blotch virus)                          | 100 |
| LSK459-0100   | Real Time PCR Kit 100 rxn (Strawberry crinkle virus)                             | 100 |
| LSK460-0100   | Real Time PCR Kit 100 rxn (Strawberry mottle virus)                              | 100 |
| LSK461-0100   | Real Time PCR Kit 100 rxn (Strawberry vein banding virus)                        | 100 |
| LSK462-0100   | Real Time PCR Kit 100 rxn (Strawberry pseudo mild yellow edge virus)             | 100 |
| LSK463-0100   | Real Time PCR Kit 100 rxn (Strawberry chlorotic fleck)                           | 100 |
| LSK464-0100   | Real Time PCR Kit 100 rxn (Strawberry latent C virus)                            | 100 |
| LSK465-0100   | Real Time PCR Kit 100 rxn (Strawberry latent ringspot virus)                     | 100 |
| LSK471-0500   | Real Time PCR Kit 500 rxn ((Beet necrotic yellow vein virus (AP-B-P pathotypes)) | 500 |
| LSK485-0300   | Real Time PCR Kit 300 rxn (Chrysanthemum stem necrosis tospovirus)               | 300 |
| LSK486-0300   | Real Time PCR Kit 300 rxn (Chrysanthemum stunt pospiviroid)                      | 300 |
| LSK489-0300   | Real Time PCR Kit 300 rxn (Candidatus Phytoplasma mali)                          | 300 |
| LSK490-0300   | Real Time PCR Kit 300 rxn (Candidatus Phytoplasma pyri)                          | 300 |
| LSK491-0300   | Real Time PCR Kit 300 rxn (Rathayibacter tritici)                                | 300 |
| LSK492-0300   | Real Time PCR Kit 300 rxn (Diaporthe helianthi)                                  | 300 |
| LSK493-0300   | Real Time PCR Kit 300 rxn (Synchytrium endobioticum (Schilbersky) Percival)      | 300 |
| LSK495-0300   | Real Time PCR Kit 300 rxn (Tilletia indica Mitra)                                | 300 |
| LSK496-0300   | Real Time PCR Kit 300 rxn (Cochliobolus carbonum)                                | 300 |
| LSK497-0300   | Real Time PCR Kit 300 rxn (Didymella ligulicola)                                 | 300 |
| LSK498-0300   | Real Time PCR Kit 300 rxn (Tilletia controversa)                                 | 300 |
| LSK499-0300   | Real Time PCR Kit 300 rxn (Glomerella gossypii)                                  | 300 |
| LSK500-0300   | Real Time PCR Kit 300 rxn (Erwinia amylovora)                                    | 300 |
| LSK503-0300   | Real Time PCR Kit 300 rxn (Phytophthora fragariae)                               | 300 |
| LSK504-0100   | Real Time PCR Kit 100 rxn (Apple Mosaic Virus)                                   | 100 |
| LSK505-0100   | Real Time PCR Kit 100 rxn (Apple Chlorotic Leafspot Virus)                       | 100 |
| LSK75497-0150 | Duplex Real Time PCR Kit (Aspergillus flavus/Aspergillus parasiticus)            | 150 |
| LSK-506-0300  | Real Time PCR Kit 300 rxn (Leptosphaeria maculans)                               | 300 |

|              |                                                                                 |     |
|--------------|---------------------------------------------------------------------------------|-----|
| LSK-507-0300 | Real Time PCR Kit 300 rxn ( <i>Verticillium dahliae</i> )                       | 300 |
| LSK-508-0300 | Real Time PCR Kit 300 rxn ( <i>Pseudomonas syringae</i> pv. <i>Maculicola</i> ) | 300 |
| LSK-509-0300 | Real Time PCR Kit 300 rxn ( <i>Trogoderma</i> sp.)                              | 300 |
| LSK-510-0300 | Real Time PCR Kit 300 rxn ( <i>Xanthium</i> sp.)                                | 300 |
| LSK-511-0300 | Real Time PCR Kit 300 rxn ( <i>Aegilops cylindrica</i> )                        | 300 |
| LSK-512-0300 | Real Time PCR Kit 300 rxn ( <i>Aegilops triuncialis</i> )                       | 300 |
| LSK-513-0300 | Real Time PCR Kit 300 rxn ( <i>Avena sterilis</i> subsp. <i>Ludoviciana</i> )   | 300 |
| LSK-514-0300 | Real Time PCR Kit 300 rxn ( <i>Avena sterilis</i> )                             | 300 |
| LSK-515-0300 | Real Time PCR Kit 300 rxn ( <i>Avena barbata</i> )                              | 300 |
| LSK-516-0300 | Real Time PCR Kit 300 rxn ( <i>Bromus rigidus</i> )                             | 300 |
| LSK-517-0300 | Real Time PCR Kit 300 rxn ( <i>Jacobaea vulgaris</i> )                          | 300 |
| LSK-518-0300 | Real Time PCR Kit 300 rxn ( <i>Turgenia latifolia</i> )                         | 300 |
| LSK-519-0300 | Real Time PCR Kit 300 rxn ( <i>Acroptilon repens</i> )                          | 300 |
| LSK-520-0300 | Real Time PCR Kit 300 rxn ( <i>Centaurea diffusa</i> )                          | 300 |
| LSK-521-0300 | Real Time PCR Kit 300 rxn ( <i>Ambrosia</i> sp.)                                | 300 |
| LSK-522-0300 | Real Time PCR Kit 300 rxn ( <i>Lactuca serriola</i> )                           | 300 |
| LSK-523-0300 | Real Time PCR Kit 300 rxn ( <i>Sorghum halepense</i> )                          | 300 |
| LSK-524-0300 | Real Time PCR Kit 300 rxn ( <i>Sorghum x alnum</i> )                            | 300 |
| LSK-525-0300 | Real Time PCR Kit 300 rxn ( <i>Cenchrus</i> sp.)                                | 300 |
| LSK-526-0300 | Real Time PCR Kit 300 rxn ( <i>Lolium temulentum</i> )                          | 300 |
| LSK-527-0300 | Real Time PCR Kit 300 rxn ( <i>Iva xanthiifolia</i> )                           | 300 |
| LSK-528-0300 | Real Time PCR Kit 300 rxn ( <i>Amaranthus palmeri</i> )                         | 300 |
| LSK-529-0300 | Real Time PCR Kit 300 rxn ( <i>Cuscuta</i> sp.)                                 | 300 |
| LSK-530-0300 | Real Time PCR Kit 300 rxn ( <i>Orobancha</i> sp.)                               | 300 |
| LSK-531-0300 | Real Time PCR Kit 300 rxn ( <i>Solanum rostratum</i> )                          | 300 |
| LSK-532-0300 | Real Time PCR Kit 300 rxn ( <i>Emex australis</i> )                             | 300 |
| LSK-533-0300 | Real Time PCR Kit 300 rxn ( <i>Bunias orientalis</i> )                          | 300 |
| LSK534-0300  | Real Time PCR Kit 300 rxn (Potato leafroll luteovirus)                          | 300 |
| LSK535-0300  | Real Time PCR Kit 300 rxn (Potato X potyvirus)                                  | 300 |
| LSK536-0300  | Real Time PCR Kit 300 rxn (Potato M carlavirus)                                 | 300 |
| LSK537-0300  | Real Time PCR Kit 300 rxn (Potato Virus S)                                      | 300 |
| LSK538-0300  | Real Time PCR Kit 300 rxn (Potato yellowing ilarvirus)                          | 300 |
| LSK539-0300  | Real Time PCR Kit 300 rxn (Potato Y potyvirus stipple streak strain)            | 300 |
| LSK540-0300  | Real Time PCR Kit 300 rxn (Potato V potyvirus)                                  | 300 |
| LSK542-0300  | Real Time PCR Kit 300 rxn (Potato virus T)                                      | 300 |
| LSK543-0300  | Real Time PCR Kit 300 rxn (Potato mop-top virus)                                | 300 |
| LSK546-0300  | Real Time PCR Kit 300 rxn (Andean potato mottle comovirus )                     | 300 |
| LSK547-0300  | Real Time PCR Kit 300 rxn (Andean potato latent tymovirus)                      | 300 |
| LSK548-0300  | Real Time PCR Kit 300 rxn (Tobacco rattle tobnavirus)                           | 300 |
| LSK549-0300  | Real Time PCR Kit 300 rxn (potato yellow dwarf nucleorhabdovirus)               | 300 |
| LSK550-0300  | Real Time PCR Kit 300 rxn (Potato black ringspot nepovirus)                     | 300 |
| LSK551-0300  | Real Time PCR Kit 300 rxn ( Arracacha B 'nepovirus')                            | 300 |

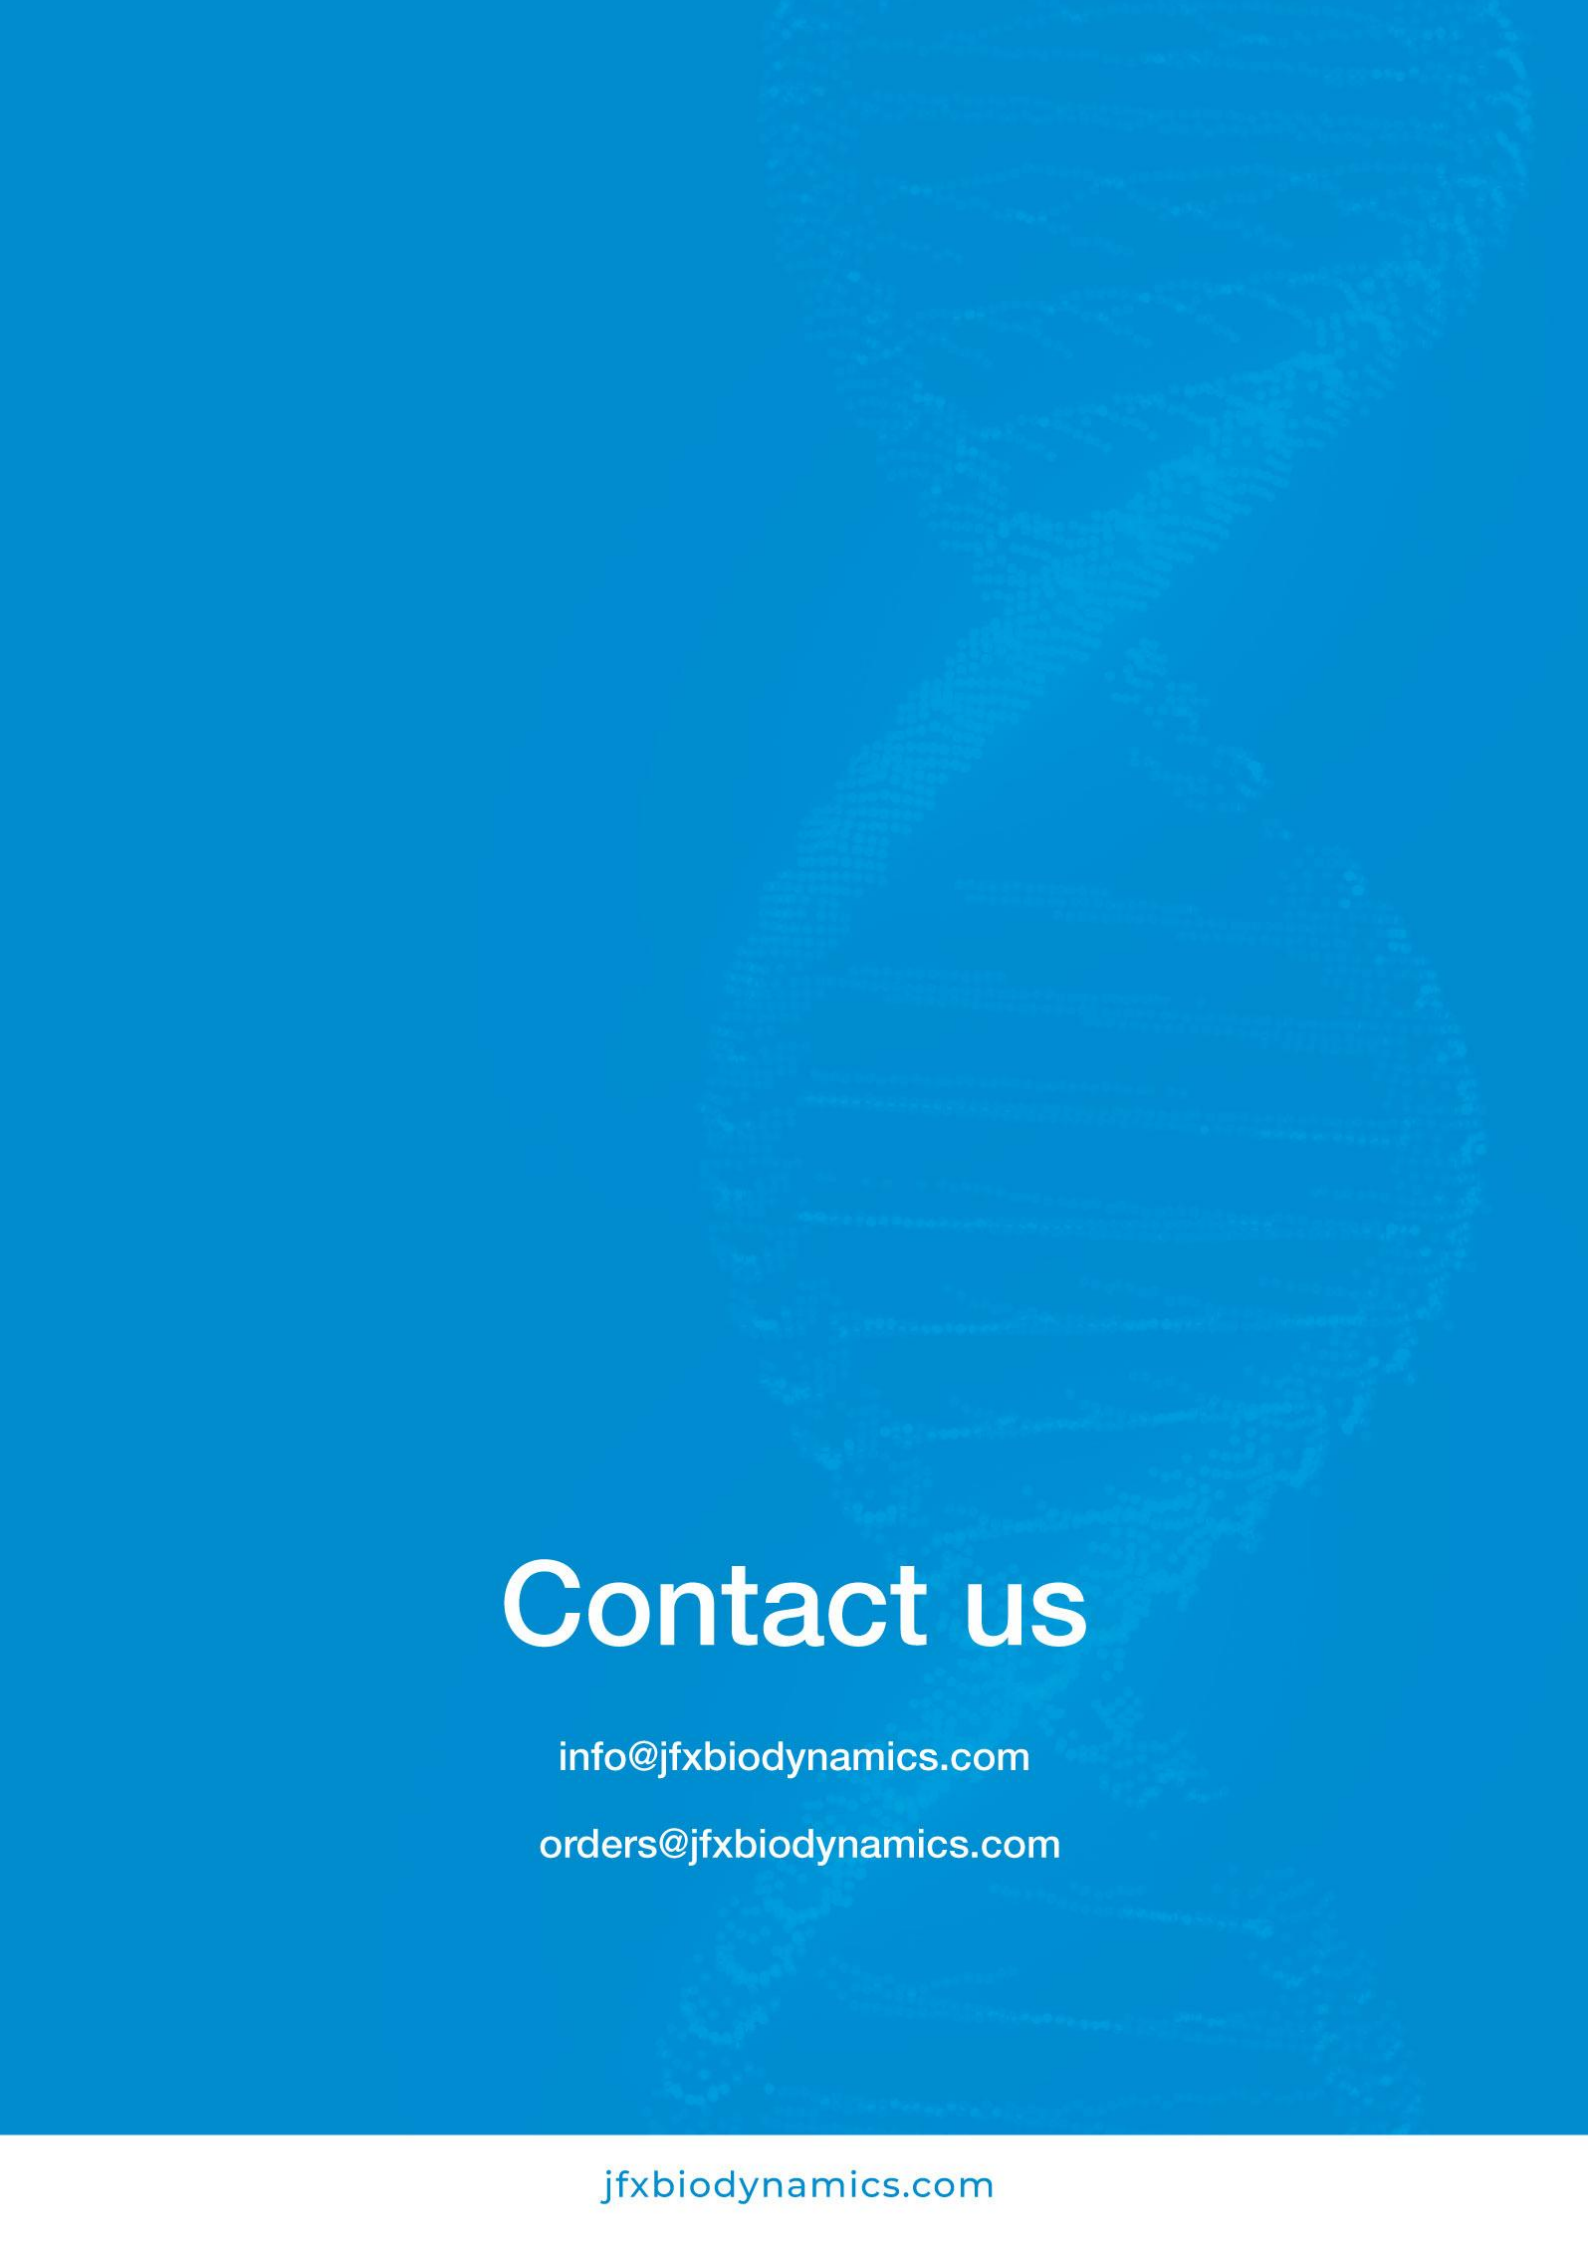

|             |                                                           |            |
|-------------|-----------------------------------------------------------|------------|
| LSK552-0300 | Real Time PCR Kit 300 rxn (Potato Virus A)                | 300        |
| LSK554-0300 | Real Time PCR Kit 300 rxn (Tomato Mosaic virus)           | 300        |
| TM33450     | PPV TaqMan RT-PCR Kit                                     | 100        |
| LSK553-0300 | Real Time PCR Kit 300 rxn (Helminthosporium maydis)       | 300        |
|             | <b>New demands for Virus / Viroid detection</b>           | <b>300</b> |
|             | <b>New demands for Bacteria genus / species detection</b> | <b>300</b> |
|             | <b>New demands for Fungi detection</b>                    | <b>300</b> |
